

## **Broken**

Art Heckman 2008

**Intro: C#m, B, A (3x's)**

**C#m, E/G#, A**

### **V1**

**C#m B A**

Come rescue me, from myself

Here I am, a slave to sin

Entangled by the snares

That have entrapped me

I am weary and alone

Come and save me

**E, B, E/G#, A**

**O Lord(2x's)**

### **Chorus**

**E, B E/G# A**

Clean my wounds O Lord

Pick me up and take me home

I want to dwell in your rest

I want to revel in your love

Forever Lord

### **V2**

Now I stand, Saved by grace

Encompassed by unending faithfulness

So take my life and make it yours

Fill me up with yourself

**O Lord (2x's)**

### **Bridge**

**F#m7 Bsus B**

You've picked up my pieces

Your grace has made this broken life new

How could I ever repay

**A, B**

What you've done

### **Chorus**
