I'm waiting in the quiet

Help me to remember, all you've brought me through

**G A D**

So I can live inside your grace

### **Chorus**

**G**

You are my hope

**A D**

You are my strength

**G A D**

When troubles rise, you are my way

You never turn or walk away

**G Bm7 A/C# D**

Your love will never change

**(Chorus 1- Back to intro loop)**

### **End of Last Chorus**

**G Bm7 A/C# Bm7 - A**

Your love will never change

Your love will never change

### **Verse 2**

**D**

Take my fears and failures

**Bm7**

Extinguish all my pride

**G A D**

Lord, I just want to be with you

**D Bm7**

Help me to press on, though I don't understand

I will trust you through it all
